ZUKU REVIEW 3-MONTH STUDY PLAN

3-Month Study Plan for NAVLE® Success

Introduction

Following a rigid calendar/schedule can be challenging and hard to live up to during the busyness and changeability of school or work.

In contrast, fostering a simple and flexible habit is very useful. A super-simplified approach might go something like this:

1. Commit 1.5 - 2 hours a day, 5-6 days a week.

2. Practice testing days (**Study Mode**): Give ~ 1 hour to practice testing first followed by a short break. Then spend ~1 hour looking up answers to questions you didn't know or that give you trouble.

3. Notes review days (**Top Topics** and **Lectures**): Read suggested articles and watch suggested videos, making your own notes as needed.

4. Click here to see Zuku's Recommended Reading - the references we use most.

5. Correctly complete 80% of the practice tests at least a month before your exam.

6. In the final quarter of your allotted study weeks, prioritize timed tests and a re-review of key notes.
